

Hello from Jemima!

It's been a brilliant first six months as your Whipton Community Builder. Thank you to everyone who has shared ideas, and offered time, energy and skills to make great things happen locally.

I'm here to support anyone who wants to try something new or bring an idea to life – whether that's starting a group, planning an event, or building on something already happening.

It's been lovely see such a variety of things happening, including planting projects, a jumble trail, photography walk, family history research drop-in, little library launch and summer pop-up play sessions. I've also enjoyed attending the many brilliant local groups. There are plenty of exciting projects emerging for the months ahead, and I can't wait to see what people's ideas will lead to next.

If we haven't met yet and you'd like to share an idea or find out more about what's going on locally, my contact details are on the back page.

Best wishes

Jemima

Listening Post

Listening is a key part of a Community Builder's role. Here's what I've been hearing about Whipton...

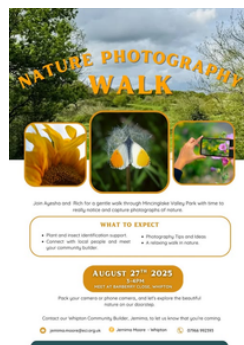

Whipton is the best place in Exeter. I've lived in other places but I loved growing up here and now I've come back.

This area used to have a lot of issues but things are much better now and it feels like there's a good community.

I feel so happy and proud to be part of the community champions.

I've lived here for four years and I didn't know any of these people. It's great to bring neighbours together like this.

Nature Photography Walk

Two wonderful Whipton residents, Rich and Ayesha, led a lovely photography walk through Mincinglake Valley Park — a chance to slow down, enjoy nature, and capture some great shots. We also shared ideas for future walks, from foraging to listening to the dawn chorus. If you'd like to get involved, I'd love to hear from you!

Litter Pick & Planting - Sunday 9th Nov 2.00-3.30pm

We'll meet at Barberr Close Library/Leo's Bench
Join Community Champions from Barberr Close, Bennett Square and Widgery Road to clear and refill planters from Bennett Square, do some litter picking and plant some bulbs. All equipment is provided.

Jumble Trail

The Jumble Trail began with a chat at the Little Library launch and quickly grew into a fantastic community event. Neighbours leafleted, mapped the trail, and opened their stalls — with lots of visitors and great conversations along the way. There's already talk of another in spring or summer! If you'd like to organise one in your area, I'd be happy to help.

Community Champions Little Library Launch

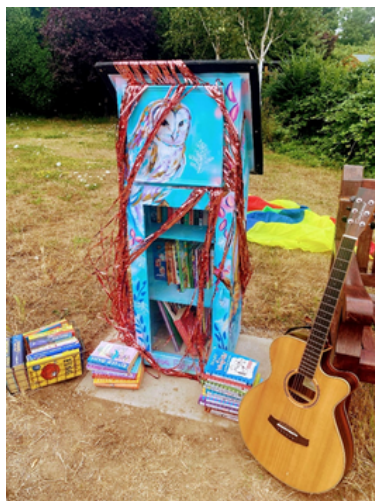

This summer, residents of Barberry Close, Bennett Square and Widgery Road came together to celebrate the launch of the brand new Little Free Library. Funded by an ECC ward grant and beautifully painted by local artist Chloe Farrant, the library was officially welcomed with a "birthday party" celebration.

Neighbours brought out chairs, decorations, snacks, music, free plants, books to swap, and even hair braiding, while children played games and made new friends

From the day, ideas began to flow, from bulb planting and replanting the square's planters, to jumble trails, advent windows, and community litter picks. A growing group of Community Champions is helping shape what comes next, and there are plans to make the Little Free Library party a yearly tradition.

If you'd like to join the Community Champions group or get involved in future activities, we'd love to hear from you!

Connecting with Neighbours

Pop Up Play at St Katherine's and Summerway

Thank you to everyone who came along to our Pop-Up Play sessions and toy swap. It was great fun and a wonderful way to connect with families and share ideas. We're grateful to Devon Wildlife Trust for lending us their bug-spotting kits, and to Merry-Go-Round Toy Library for sharing some brilliant resources. It really was a fantastic summer of play – and many families have already said how much they'd love to see Pop-Up Play return next year!

Whipton History Research Group

Whipton History Detectives Wanted!

Do you enjoy following clues, spotting patterns, solving puzzles? Are you curious about what Whipton used to be like? Join our new History Group and help tell Whipton's story.

If you'd like to join Dr. Julia Neville's Whipton History Research Group, let me know and I'll pass your details on.

Bonville Close Community Evening

Bonville Close has its own Facebook page and a brilliant resident who regularly does litter picks. I met with some of the neighbours and together we planned a community evening – a chance to do a little litter picking and weeding, share cake and other treats, and enjoy a good chat.

It was a lovely way to connect, and lots of great ideas came out of it – including a Spring street party, an Advent window trail and a little library. If you'd like support with bringing your neighbours together in a similar way, do get in touch!

Whipton Shanty Singing

Are you interested in singing? A wonderful local resident, Rose, is looking to start a men's singing group at The Star Inn, Whipton, with a shanty-style feel. No experience is needed, just bring your voice and a willingness to join in. Singing together is a wonderful way to meet new people, lift your mood, and enjoy a sense of community. If you or someone you know might like to take part, we'd love to hear from you!

SUMMERWAY STARS INVITE YOU TO A

Sunday

- 11am-3pm Exeter Miniature Railway - St Katherine's Priory (first Sunday of every month)

Christmas is Coming!

Christmas is just around the corner, and it's a wonderful time for neighbours to come together. I'm already working with two groups planning Advent windows, and there are lots of festive events happening locally, including Christmas discos and children's parties at Whipton Hall and Whipton Social Club, as well as St Katherine's Priory Christmas Fayre.

If you have a festive idea for your neighbourhood, such as, carol singing, a decoration trail, a pay-it-forward gift swap, or coming together for mince pies and mulled wine, and would like support to bring it to life, please get in touch!

What else would you like to see in Whipton?

I've heard some fantastic ideas from local residents, including a Family Rounders game, Tree Walk, Family Open Mic sessions, Whipton Bake Off, Dawn Chorus walk, a school holiday playgroup, ladies' clothes swap, a women's group, book club, jumble sale, butterfly walk, and a dog walker social. There's clearly a lot of imagination and care in the community.

If any of these sound like something you'd like to be part of, I can help connect you with others and offer support to get things started. Or if you have a different idea for a group or event you'd love to make happen, I'm here to help —just get in touch!

Meet Georgie

This is Georgie your local Community Physical Activity Organiser (CPAO), she works across the whole of north Exeter and knows all things Physical activity and sport. Her role is to assist residents with their ideas of forming a group or to sign post them to groups that already run in the local area. CPAO's also help individuals to overcome barriers they may face stopping them from accessing physical activity.

Save the date for the Community Sports Day on August 31st in Summerway Park 12-3pm

If you have an idea or need support to access physical activity. Please contact Georgie via this email: georgie.barbour-gresham@ecct.co.uk
